# SUPERIOR PRODUCT AT BARGAIN PRICING

# HOW TO DETERMINE THE RIGHT SIZE

## HUBS

**Step #1:** Find a brand with a 5-year warranty (like Ultra-Fab)

**Step #2:** Determine weight capacity

- Start by looking on current hub or by measuring diameter of axle and use this guide
- 1.5" or smaller: Ask for 1,000 lb. capacity
- 1.5" - 1.75": Ask for 2,000 lb. capacity
- 1.75" - 2.375": Ask for 3,500 lb. capacity
- 2.375" - 3": Ask for 6,000 lb. capacity
- 3" - 3.5": Ask for 8,000 lb. capacity
- 3.5" - 4": Ask for 9,000 lb. capacity

**Step #2:** Count studs (figure 1)

**Step #3:** Determine number of studs

- **Count number of studs (See figure #1)**
- In examples: 5 studs

**Step #4:** Determine number of studs

- Measure from center of stud to center of axle (see **figure #2**)
- **Double that figure for diameter**
- In example: 2.25" center of stud to center of axle is 4.5" diameter.

**Step #5:** Determine number of studs

- **Measure size of individual studs (See figure 3).**
- If possible, determine thread pattern (either 18 or 20 grooves per inch, most being 20)

**Step #6:** Idler & Drum

- Note if this is an idler hub (no brake) or a hub/drum (brake goes inside)

**Step #7:** Put it all together

- As an example, ask for 3,500 lb., 545 (5 for 5 studs & 45 for 4.5" diameter), 1/2" (length of bolts), 20 (thread count).
- Or, to put it together 3,500 lb., 545, 1/2" - 20.

**GUARANTEED  
SALES**

## What do we mean when we say “Guaranteed Sale”?

Simple. You will never get stuck with dead inventory from Ultra-Fab. Period. Whether you purchase individual products, planograms or displays, we guarantee you will sell the product. That's because we don't want you to take any risk when trying Ultra-Fab products. We guarantee your customers will love it. We guarantee the quality of the product. And we guarantee you will sell it.

We know what sells in the market. But we also know that no two dealerships are the same. So, if you have an Ultra-Fab SKU that doesn't sell for you within 12 months of purchase, we will gladly take it back and replace it with an item that does sell well for you. The claim does have to be made within 18 months of purchase and must be in resaleable condition, that way we can get it to a reseller that sells that product regularly and it is in acceptable condition for their customer.

What could be easier? Well, what if we paid the freight... both ways. Well, we do because we don't want you to take any risk when trying Ultra-Fab products. We guarantee your customers will love it. We guarantee the quality of the product. And we guarantee you will sell it.

**ASK OUR COMPETITORS WHY THEY DON'T GUARANTEE THE SALE**
