

Tow Bars

Tow Force

An Ultra-Fab Product

- **TOW WITH CONFIDENCE:** Safe, stable, drama-free towing — because white-knuckle towing is just your rig politely begging you to make better life choices.
- **HEAVY-DUTY 8,000 LB. TOWING CAPACITY:** Real-world strength, not wishful thinking. Reliable, all-terrain towing performance on highways, campgrounds, dirt roads, and everywhere your wanderlust drags you.
- **PREMIUM SOLID ALUMINUM CONSTRUCTION:** Strong enough for serious towing, lightweight enough to install without needing a protein shake first.
- **EASY OPERATION & QUICK STORAGE:** Self-locking extendable legs automatically center and lock like towing magic. Non-binding handles make disconnecting a breeze. Fold the legs, latch them, and boom — it stows neatly on your motorhome.
- **FULLY EQUIPPED & BUILT TO LAST:** Heavy-duty safety cables and clevises for instant compatibility. Lifetime Warranty — because Ultra-Fab doesn't believe in "temporary."

Amazingly Tough
